Experience

GENERAL ASSEMBLY

Lead Instructional Associate | Web Development Immersive - New York, NY & Remote (2015 - Present)

Bootcamp that teaches students full-stack web development and problem solving in an intensive program.

Design and deliver lessons, labs, exercises, and homework in JavaScript, HTML, CSS, Node, Angular, Ruby on Rails, MongoDB, and PostgreSQL.

Create applications to demonstrate current technologies and best practices, teach frameworks like Bootstrap, Skeleton, Materialize and libraries like jQuery and Angular. Develop lessons on Agile and SCRUM development and teach TDD with both Mocha and RSpec.

ONLINEMEDDED

Web Developer | Freelance – Austin, TX (2017)

<https://onlinemeded.org/> & https://github.com/kristynrb/OnlineMedEd_freelance_stats_view

An online learning platform used across 191 countries to prepare medical students for the boards and the wards.

Developed the "Performance" view on the app's student-facing dashboard using React.js and Sass.

REPONE

Web Developer | Freelance – Brooklyn, NY (2017)

<http://squatsandscience.com/> & <https://github.com/kristynrb/RepOne> - Product landing page for new device by Squats & Science.

ULTIMATE HOLLYWOOD SCRIPTS

Web Developer | Freelance – New York, NY (2016-2017)

<https://ultimatehollywoodscripts.com> – An e-commerce website that sells movie and television scripts.

Created the site on Shopify with a large data transfer from Etsy; added apps for better SEO and advertising. Setup social networking marketing on Facebook and Pinterest to increase presence and sales.

TRUEDWELL

Web Developer | Freelance – New York, NY (2015)

<https://truedwell.com> – A mobile real estate advertising platform.

Assisted in the completion of mobile-responsive version of this site using JavaScript, HTML, CSS, Handlebars, Bootstrap, and PostgreSQL. Connected existing backend code as well as created new views. Developed code using jQuery and CSS for sliders, carousals with Owl Carousel, and made UI & UX tweaks.

Freelance QA Tester | Applause – Remote (2015)

Office Manager & Database Coordinator | Environmental Charter School – Pittsburgh, PA (2012 - 2015)

Language Arts Teacher | Upper St. Clair School District – Pittsburgh, PA (2011 - 2012)

Alumni Events Coordinator | Carnegie Mellon University – Pittsburgh, PA (2005 - 2010)
